 and *Wrigleys Chicago Bar & Grill*

*You never know who is struggling, suicide touches ALL of us.*

*Firefighter Behavioral Health Alliance data shows that we lose a FF or EMS member every 2.9 days. In 2015 and 2016 there were more FF suicides than Lodd's. FBHA is the only organization in the U.S. that tracks and validates this information.*

### Opportunities to Support this Event Include:

- Raffle or Monetary Donations
- Riding in the Poker Run
- Help with Event Set-up or Break-down
- If possible please send and donate an out of service helmet and boots for our own rolling memorial that we will set up and use at all of our events.

*In Loving Memory of*  
**DFD Lt. A.A. Wharton**  
*a.k.a. TEX*

*This ride is in memory of my Dad, Denver Fire Lt. and PIO A.A. Wharton. He took his life in July of 1994 while the negotiator, other first responders and I were with him. It was a great loss to the department and I will never fully recover. I am*

*asking you for your help this year as this problem is too big for one person to tackle alone.*

*Everyone Goes Home Safe. Mind, Body, Heart and Soul Safe.*

*Thank you, Brandee Wharton*
