

Koval's Corner #1

1) DID YOU KNOW:

- Firefighters are at higher risk for skin cancer than the general population?
- When detected early, the 5-year survival rate for melanoma is 99%?
- If you have any of the following, you may be at even higher risk for skin cancer:
 - Skin color that is naturally light
 - Blue or green eyes
 - Blond or red hair
 - A large number of moles
 - Family history of skin cancer

→ Get an annual head-to-toe skin exam with your PCP or dermatologist!

2) What to look for if you have a concerning spot on your skin:
