**Section 2.** It is expressly intended that the duties, responsibilities and functions of the City in the operation of its Fire Department shall in no manner be impaired, subordinated or negated by a provision of this Agreement.

## Article II

As used in this Agreement, the term “fire fighter” shall mean the members of the Classified Service of the Fire Department of the City and County of Denver, except any person holding the rank of Chief of the Fire Department, or any person assigned the duties of Deputy Fire Chief or Division Chief.

## Article III

### UNION SECURITY

**Section 1.** No fire fighter shall be required to become a member of the Union as a condition of their employment or continued employment by the City, and there shall be no discrimination against any fire fighter on account of their membership or non-membership in the Union. Provided, however, that the Union does not discriminate against non-members when it limits its services to and representation of non-members as follows:

The Union's duty of representation to an employee it represents but who is not a member of the Union shall be limited to the negotiation or enforcement of the terms of the agreement with the City. No provision of this article shall be construed to require the Union to provide representation to a non-member:

- (a) during questioning by the employer;
- (b) in statutory or administrative proceedings or to enforce statutory or regulatory rights; or
- (c) in any stage of a grievance, arbitration or other contractual process concerning the evaluation or discipline of an employee where the non-member is permitted to proceed without the Union and be represented by their own advocate.

Nor shall any provision of this Article prohibit the Union from providing legal, economic or job-related services or benefits beyond those provided in this Agreement with the City only to its members.

**Section 2.** The City shall deduct on a regular basis from the pay of all fire fighters who hereafter voluntarily authorize such deductions in writing on a form provided for this purpose by the Union or the City: (1) the amount of Union dues uniformly assessed all fire fighters who are Union members, and (2) initiation fees uniformly assessed against all Union members. Each authorization given under this Section shall state that it is irrevocable for a period of one (1) year or until the termination date of this Agreement, whichever occurs sooner, and is automatically renewable for another year unless written revocation of check-off authorization is given to the City during the thirty (30) day period immediately preceding the end of the period of irrevocability.

The Union will initially notify the City as to the amount of dues, or dues and initiation fees, to be deducted. Such notification will be certified to the City in writing over the signature of the President or Secretary-Treasurer of the Union. Changes in the Union membership dues or fees will be similarly certified to the City and shall be done at least one month in advance of the effective date of such

change. The City will remit to the Union such sums within thirty (30) days and shall accurately account for all changes in membership and monies deducted.

**Section 3.** The Union shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or as a result from any conduct taken by the City for the purpose of complying with Section 2 of this Article.

## Article IV

### UNION ACTIVITY

- Section 1.** Neither the Union, nor its officers, agents, representatives, or members will intimidate, interfere with, or coerce fire fighters. No Union activity or Union business of any kind will be carried on during working hours without express written permission in advance from the Fire Chief or their designated representative. Violation of this Section 1 of this Article IV by any fire fighter shall be just cause for disciplinary action pursuant to the City Charter. Failure of the City to enforce any of the provisions of this Section 1 of this Article IV in any one (1) or more instances shall not be considered a waiver of any of the provisions of this Section 1 of this Article IV.
- Section 2.** No fire fighter shall be discharged, disciplined or discriminated against because of activity on behalf of the Union that does not interfere with the discharge of their duties or any assignments, or violate any of the provisions of the Agreement.

When approved by the Chief or their designated representative in writing, members of the Union Executive Board (not to exceed four) shall be granted leave from duty with full pay for attending Executive Board and general membership meetings. The Union shall endeavor to conduct all necessary Union business during the non-working time of the greatest number of fire fighters required for such business, to the greatest extent possible. Said approval shall be granted by the Chief or their designated representative in writing when said leave would not disrupt or interfere with the service of the department.
- Section 5.** Such fire fighters (not to exceed four) as may be selected by the Union and approved by the Fire Chief or their designated representative shall be granted leave from duty without pay for Union activities such as attending educational conferences, seminars and training courses for the improvement of fire service and the Fire Department.

**Section 3.** Support Service Personnel. This Section shall control the granting of holidays and holiday premium for personnel in all support services other than Fire Dispatch, and Fire Investigation.

Where a holiday, except a birthday, as listed in Section 1 of this Article, falls on the first day of a regularly scheduled period of off days, it shall be observed on the immediately preceding work day. Where a holiday except a birthday, falls on the second and third off days of a scheduled period of off days, it shall be observed on the first regularly scheduled work day following the off days. A birthday holiday will be taken by the fire fighter within 30 days of the birthday under procedures approved by the Chief.

When a fire fighter covered by this Section is called out to work on a holiday which is observed on the same day as specified in Section 1, the fire fighter shall be entitled to a holiday premium in addition to the regular rate of compensation.

In situations where the observed holiday except a birthday differs from the holiday specified in Section 1, this paragraph applies. When a fire fighter covered by this Section is called out to work either on the holiday specified in Section 1 or the "observed holiday," compensation shall be determined as follows:

(a) A fire fighter called out on the “observed holiday” will receive holiday premium only for those hours actually worked on that calendar day which do coincide with their regularly scheduled work hours.

When a holiday falls on a support service fire fighter’s vacation, as set forth in Article XIV of this Agreement, that holiday shall not be counted as a vacation shift. When a holiday other than a birthday falls on a suppression fire fighter’s vacation, as set forth in Article XIV of this Agreement, that day shall nevertheless be treated as a vacation day for all purposes relevant under this Agreement; however, the fire fighter shall receive the holiday premium identified in this Section for all hours that they would have worked on that day, but for the fact that such day was a vacation. **Section 2.** If a fire fighter is employed only part of a month, they will earn vacation leave for the month only if they started on or before or terminated after the 15th day of the month.

**Section 3.** If the fire fighter's third (3rd), tenth (10th), fifteenth (15<sup>th</sup>), twentieth (20<sup>th</sup>) or twenty-fifth (25th) anniversary of their hiring date occurs on a day other than the first day of the month, they will earn vacation leave for that month at the rates described in Section 1 of this Article only if the anniversary date is on or before the fifteenth (15<sup>th</sup>). If the third (3rd), tenth (10th), fifteenth (15<sup>th</sup>), twentieth (20<sup>th</sup>) or twenty-fifth (25th) anniversary date of hire falls on a day after the fifteenth (15<sup>th</sup>) day of the month, they will earn at the higher rate beginning the first day of the following month.

**Section 4.** (a) Vacation hours accrued under the provisions of this Agreement may not be used until the calendar year after they are accrued. In no case may a fire fighter use more hours of vacation than the sum of what they accrued in the previous calendar year, credited monthly. Any unused vacation leave left over from the previous year

that the fire fighter is unable to use, in the sole opinion of the Fire Chief or their designee, shall be paid in cash at the fire fighter's regular rate of pay in effect at the time of payment, and such payment shall be made within the first quarter of the succeeding year.

(b) Where a fire fighter assigned to suppression or dispatch accrues vacation hours not evenly divisible by the number of hours in their shift, that fire fighter shall be paid in cash, but only for the hours of vacation which are less than a full shift which remain on December 31 of the year following the year of accrual so long as that fire fighter continues to be assigned to suppression or dispatch. Where a fire fighter assigned to arson has accrued vacation hours not evenly divisible by twelve, that fire fighter shall be paid in cash only for the hours of vacation which are less than 12 hours which remain on December 31 of the year following the year of accrual so long as that fire fighter continues to be assigned to arson. The cash payment shall be at the fire fighter's regular rate of pay in effect in the year following the year of accrual and shall be paid within the first quarter of the succeeding year.

**Section 5.** The additional vacation time allocated pursuant to Section 4 of Article XVIII - Sick Leave - shall not exceed one hundred forty-four (144) hours and shall be utilized in full shift increments directly related to the fire fighter's assignment. Any unused vacation leave left over from the previous year that the fire fighter is unable to use, in the sole opinion of the Fire Chief or their designee, shall be paid in cash at the fire fighter's regular rate of pay in effect at the time of payment, and such payment shall be made within the first quarter of the succeeding year.

**Section 6.** Vacation selections shall be made by the members of the Fire Department according to seniority in grade or rank within each administrative district and support service. Vacation selections made by Dispatchers shall not be made from the same vacation pick sheets as other members of the bargaining unit and shall in no way limit or restrict other members of the bargaining unit in their vacation selections. The most senior member in the highest grade or rank shall have the opportunity to select their vacation first. The least senior member in the lowest grade or rank shall pick last. The City shall open ten (10) days per administrative district in fire suppression per shift more than are required pursuant to this determination. It is understood and agreed that the City has the right to balance staffing by restricting the availability of certain days in any district. The method used for selecting vacations and balancing staffing shall be a single day selection method. The City will use its best efforts to evenly distribute the necessary vacation opportunities per shift, over the entire annual schedule specific to each shift.

Suppression fire fighters 1st, 2nd, 3rd, and 4th grade, engineers and technicians shall be permitted to select a vacation period which is the same as the officer assigned to the same company and platoon with the following exceptions: (1) engineers assigned to Denver International Airport (DIA) ARFF apparatus shall not select a vacation period which is the same as other engineers assigned to the same company on the same platoon; and (2) the policy shall be permitted only as long as the present policy of providing "roving" lieutenants to fill company

officers' vacancies created by vacations continues. Should the policy change, the change will be discussed with the Union prior to implementation.

Vacation schedules shall not be changed unless the fire fighter is promoted or granted a requested transfer, in which case the City shall exercise its best effort to allow the fire fighter to retain their original selection. The transfer of a fire fighter shall not affect the vacation schedule of any other fire fighter. The parties agree that during the term of this agreement, the Union and the authorized representative of the City may, by mutual agreement, change the provisions for vacation picks in this Section 6.

Vacation selection for the rank of Emergency Medical Technician will be a seniority-based selection, and separate from other members of Suppression.

If agreed to by authorized representatives of the Union and the City, an alternative vacation selection method may be used during the term of this Agreement.

**Section 1.** A grievance is a claim that the City has violated an express provision of this Agreement, and does not include any disciplinary matters. Any fire fighter or group of fire fighters may discuss any matter with their Division Chief, Deputy Chief or the Fire Chief, without invoking the formal grievance procedure provided for in this Article. Neither the City nor the Union shall threaten, restrain, or coerce any fire fighter for asserting said fire fighter's rights pursuant to this Agreement.

**Section 2.** A grievance must be initiated by an aggrieved fire fighter. The aggrieved fire fighter must reduce their entire grievance and all the reasons therefor, and the provisions of this Agreement which the aggrieved fire fighter feels have been violated, to writing and present the written grievance, signed and dated by the fire fighter, to their Division Chief within ten (10) calendar days after the fire fighter knew or should have known the facts which gave rise to the grievance. If not submitted within ten (10) calendar days, the grievance shall not be entitled to consideration. Nothing in this section shall be construed to limit or prevent the Union, through an aggrieved member or members, from filing a grievance on a belief that the Agreement is being violated.

**Section 3.** All grievances shall be settled in the following manner:

**Step 1.** The grievance shall be submitted to the grievant's Division Chief within ten (10) calendar days after the fire fighter knew or should have known the facts which gave rise to the grievance. The Fire Chief or their designated representative will give the aggrieved fire fighter, through the Union Grievance Committee, their answer in writing within ten (10) calendar days after holding such meeting. If the grievance is not answered within said ten (10) days it will be considered denied.

**Step 2.** If the Union Grievance Committee is not satisfied with the answer obtained at "Step 1," a Union officer must give written notice of intent to arbitrate to the corporate authorities of the City within fourteen (14) calendar days. The Grievance Arbitration Board shall consist of:

- (a) Appointee of the City;
- (b) Appointee of the Union;
- (c) The representatives of each party shall select the third member of the Grievance Arbitration Board, who shall be the Chair;
- (d) If within twenty-one (21) calendar days, the representatives of the

City and the Union fail to select a third member, either party or its representative may refer the matter to the American Arbitration Association for the selection of an impartial arbitrator to act as the third member of the Grievance Arbitration Board, in accordance with the Rules of the American Arbitration Association. The majority of the Arbitration Board shall render a decision within thirty (30) calendar days after hearing the grievance, and failing to reach a majority, the decision of the Chair shall prevail.

The award of the Arbitration Board, or failing a majority decision, the decision of the Chair shall be final and binding on the City and the Union.

The costs of any arbitration shall be borne equally by the parties to this Agreement.

**Section 4.** Failure of the aggrieved fire fighter, or the Grievance Committee, or any official of the Union, to comply with the time limits set forth above will serve to declare the grievance as settled based upon the last answer received, and no further action can be taken.

**Section 5.** Anything in this Agreement to the contrary notwithstanding, the following matters are not subject to the grievance procedures of this Agreement:

- (a) Any grievance which is not filed in accordance with the provisions of Section 2 of this Article or does not meet the definition of a grievance as set forth in Section 1 of this Article; or
- (b) Any matter reserved solely to the Rights of Management (Article VI), or to the discretion of the City or the Fire Chief by the terms of this Agreement; or
- (c) Any matter which would require a change from the wages, rates of pay, hours, grievance procedures, working conditions, and all other terms and conditions of employment as set forth in this Agreement; or
- (d) Any matter which is not covered by this Agreement; or
- (e) Any matter covered by the Charter of the City and County of Denver, the Directives and Guidelines of the Denver Fire Department not inconsistent with the express terms of this Agreement, the Rules and Regulations of the Civil Service Commission of the City and County of Denver, City Ordinances, Statutes and Constitution provisions.

**Section 6.** (a) The time limits for processing grievances as set forth in this Article may be extended by mutual written agreement of the Chief of the Fire Department or a designee of the Chief and a representative of the Union.

(b) The parties shall consider and may by mutual agreement use a mediator at any time during the grievance process to resolve the grievance.

### WORK DAY AND WORK WEEK

**Section 1. Fire Suppression and Dispatch.** Fire fighters in the fire suppression force and those assigned dispatcher duties shall work a work schedule consisting of twenty-four (24) hour shifts for an average work week of forty-eight (48) hours. This will be implemented by the use of a three (3) platoon system with each fire fighter working one (1) twenty-four (24) hour shift followed by forty-eight (48) hours off, with a Kelly day to be taken within each twenty-one (21) calendar day cycle. A Kelly day shall not be counted as a working shift for any purpose.

Until such time as the U.S. Department of Labor determines that the provisions of 29 U.S.C. § 207(k) apply to Denver fire fighters assigned dispatcher duties, all such fire fighters shall be scheduled for and receive between five (5) and eight (8) hours of uninterrupted sleep time and up to two (2) hours, in at least thirty (30) minute increments, of uninterrupted meal periods during the twenty-four (24) hour shift. These hours shall not be deemed as time worked for purposes of calculating FLSA overtime.

Kelly day selections shall be made annually by the members of the Fire Department except Assistant Chiefs according to seniority in grade or rank within each administrative district. Kelly day selections made by Assistant Chiefs shall not be made from the same Kelly day selection sheets as other members of the bargaining unit and shall in no way limit or restrict other members of the bargaining unit in their Kelly day selections. The most senior member in the highest grade or rank shall have the opportunity to select their Kelly day first. The least senior member in the lowest grade or rank shall pick last. The City shall determine prior to the time Kelly days are selected the number of Kelly day picks required in each administrative district per shift. The City shall open one (1) Kelly day pick per administrative district more than is required pursuant to this determination. It is understood and agreed that the City has the right to balance staffing by restricting the availability of certain picks in the last column in any district.

Each time a Kelly day is changed, the fire fighter shall be granted one (1) additional Kelly day; provided, no more than two (2) additional Kelly days shall be awarded in a contract year; provided, further, if a Kelly day change results in a return to the originally selected Kelly day, an additional Kelly day shall not be awarded; provided, further, if a fire fighter is transferred at their request, is promoted, or when a roving Lieutenant receives a permanent assignment and the change results in a change in Kelly days, an additional Kelly day shall not be awarded.

If agreed to by the authorized representatives of the Union and the City, an alternative work schedule for fire fighters assigned dispatcher duties may be used during the term of this agreement.

Fire fighters assigned dispatcher duties will select Kelly days only among themselves.

**Section 2. Non-Fire Suppression.** Each support service, excluding Dispatch, shall establish a work period of at least 7, but not more than 28 days. The Department office personnel who are not on round-the-clock schedules will normally work a schedule of five (5) eight (8)-hour work days during a seven (7) day work period. A flexible or staggered work schedule averaging forty (40) hours per week and providing for more economical and efficient functioning of the support service may be established by the Division Chief with the approval of the Fire Chief or their designated representative, provided that such new schedule shall not provide for a work shift in excess of twelve (12) hours and provided further that all fire fighters affected by such change in work schedule shall continue to receive as many gross hours of sick leave, sick leave converted to vacation, and vacation as they would have had, had their schedules not been changed.

If agreed to by the authorized representatives of the Union and the City, an alternative work schedule may be used during the term of this Agreement.

**Section 3.** In the event of enactment of State or Federal legislation affecting the hours of work or overtime for Fire Department personnel, the City and the Union will meet in an attempt to make any work schedule changes which are mandated by said legislation.

During each twenty-four (24) day work period, one (1) work shift shall be reduced to five (5) hours. For purposes of calculating hourly rates, fire fighters assigned to the Fire Investigations Bureau are considered to work forty (40) hours per week. Schedules for Lieutenants, Captains, and Assistant Chiefs shall be determined by Section 2 of this Article.

If agreed to by the authorized representatives of the Union and the City, an alternative work schedule may be used during the term of this agreement.

**Section 5. Emergency Medical Technician.** Emergency Medical Technicians shall work a 40-hour work week, 7 calendar day cycle. A flexible or staggered work schedule averaging forty (40) hours per week and providing for more economical and efficient functioning may be established by the Division Chief with the approval of the Fire Chief or his/her designated representative, provided that such new schedule shall not provide for a work shift in excess of twelve (12) hours and provided further that all Emergency Medical Technicians affected by such change in work schedule shall continue to receive as many gross hours of sick leave, sick leave converted to vacation, and vacation as they would have had, had their schedules not been changed.

If agreed to by the authorized representatives of the Union and the City, an alternative work schedule may be used during the term of this Agreement.

**Section 6.** Notwithstanding the provisions in Section 1 of this Article, one Shift Commander or Assistant Chief, at the discretion of the Chief, may be assigned to a supplemental shift based on a twenty-one (21) day cycle ranging from A-Shift Sunday to A-Shift Sunday. The Shift Commander or Assistant Chief assigned to this supplemental shift will not be able to exceed forty-eight (48) consecutive working hours with a minimum of twenty-four (24) hours off in between work shifts. ## Article XVIII

### SICK LEAVE

**Section 1.** Each fire fighter shall be credited with twelve (12) hours of sick leave monthly for each month of service for a maximum annual accumulation of one hundred forty-four (144) hours per year of sick leave. If a fire fighter is employed only part of a month, they will be credited with sick leave for the full month only if they started on or before or terminated after the fifteenth (15th) day of the month. If a fire fighter is employed after or terminated before the fifteenth (15th) day of the month, they shall be credited with six (6) hours of sick leave. Any unused portion of such sick leave shall be accumulated until said fire fighter shall have a reserve of seven hundred-twenty (720) hours of sick leave.

**Section 2.** Any sick leave taken by a fire fighter with seven hundred-twenty (720) hours or less of accumulated reserve shall be first charged against the current year's accumulation of sick leave to date of absence. If the current year's accumulation of sick leave is exhausted, any sick leave taken shall be charged against the fire fighter's accumulated reserve of sick leave.

Any sick leave taken by a fire fighter with more than seven hundred-twenty (720) hours of accumulated reserve shall be first charged against the accumulated reserve.

**Section 3.** When a fire fighter uses sick leave due to off-duty injury or sickness, the fire fighter will be charged one (1) hour sick leave for each hour the fire fighter misses rounded to the nearest quarter hour. On February 1st of each year, each fire fighter shall receive a written report of their accumulated sick leave reserve.

**Section 4.** On December 31st of each year, after the fire fighter has accumulated their reserve of seven hundred-twenty (720) hours of sick leave, unused sick leave of a fire fighter for that year shall be allocated as follows:

- (a) Each fire fighter may take unused sick leave accumulated in the previous year not to exceed one hundred forty-four (144) hours as a cash payment, if approved by the Chief or their designated representative, to be paid at the regular rate of pay in effect at the time of payment on or before February 1st of each year. The approved amount may be allocated between cash, deferred compensation or a HSA contribution, at the fire fighter's option, consistent with legal restrictions.
- (b) Each fire fighter may take all or any part of unused sick leave as vacation, if approved by the Chief or their designated representative. Sick leave converted to vacation may only be used in full shifts. Any sick leave not taken as vacation shall be taken as cash payment at the fire fighter's regular rate of pay in effect at the time of payment.

Each fire fighter must declare their option before regular vacation and sick leave converted to vacation for the following year are selected.

- Section 5.** Fire fighters who have an accumulated reserve of more than seven hundred-twenty (720) hours of sick leave as of December 31, 1983, will maintain that accumulated reserve balance unless used for sick leave pursuant to the provision of Section 2 above. Such fire fighters shall continue to be credited with sick leave pursuant to the provisions of Section 1 above. This credited sick leave shall be either paid for or taken as vacation in accordance with the provision of Section 4 above.
- Section 6.** At the termination of a fire fighter's term of service with the Denver Fire Department for any reason, the said fire fighter shall receive compensation in full at their regular rate of pay at the time of such termination for all accumulated sick leave and vacation time due to them in hours at the termination of their service, except that a portion of this compensation shall be paid into the Post Employment Health Plan for eligible fire fighters as set forth in Article XX.
- Section 7.** (a) Prior to separation of service for any reason, other than as outlined in Section 7(b) below, the fire fighter may elect to have any or all accumulated sick leave and unused vacation time paid as compensation. The election to have these monies paid cannot be made more than 12 months prior to separation and must be made at least 5 days prior to separation and shall be paid at least two (2) working days before separation. The fire fighter may contribute this compensation into the City's Deferred Compensation Plan pursuant to the rules of that Plan. Any accumulated sick leave or unused vacation remaining after the election, shall be paid into the Post Employment Health Plan for eligible fire fighters as set forth in Article XX. This provision is subject to all limits and regulations governing a § 457 plan as enforced by the Internal Revenue Service, including deferral limits and the timing of deferral election forms.
- (b) If a fire fighter is involuntarily terminated, or resigns or retires in lieu of involuntary termination, the fire fighter will be given the option of receiving all or part of their accumulated sick leave and unused vacation in cash rather than having that amount be paid into the Post Employment Health Plan (PEHP) established in Article XX of this Agreement. The fire fighter must exercise this option within five (5) calendar days of being informed of the involuntary termination decision, or giving notice of resignation or retirement in lieu of involuntary termination. The failure to exercise this option within five (5) calendar days shall be deemed consent to have the entire amount of the fire fighter's accumulated sick leave and unused vacation paid into the PEHP, as set forth in Section 7(a) above.
- Section 8.** Upon the death of a fire fighter of the Denver Fire Department, all monies due such fire fighter by reason of unpaid salary, accumulated unused vacation time, sick leave reserve or from other sources, at the time of their death shall be paid to their surviving spouse, or if there be no surviving spouse, then to the fire fighter's estate; provided however that if the Charter is amended the payment shall be made as required by the Charter as amended.

**Section 10.** Sick Leave Use

- (1) Statement of intent: The purpose of this section is to allow fire fighters, in connection with sickness or injury, to achieve a balance between family responsibilities and work demands. Each fire fighter must recognize that the responsibility of the Denver Fire Department is to provide a continuous high level of service to the public. Supervisors, when granting such leave, shall insure that the Fire Department mission is not jeopardized.
- (2) In addition to using sick leave when a fire fighter is incapacitated by sickness or injury, sick leave may be used for parental leave or for necessary care and attendance during the serious illness of a member of the fire fighter's family.
  - a. "Family" is defined as:
    1. a person who is related by blood, marriage, civil union, or adoption;
    2. a child to whom the employee stands in loco parentis or a person who stood in loco parentis to the employee when the employee was a minor; or

  - c. Fire fighters using extended leave under the provisions of this agreement will return to work at their same or equivalent positions.
  - d. In all but emergency cases, the fire fighter needing extended family or medical leave shall document the need in writing and forward it to the Human Resources Bureau (HRB) office through the chain of command. A Sick Leave Request shall also be submitted. In emergency situations, the supervisor who grants the leave shall document the circumstances and forward the letter and Sick Leave Request to the HRB office, through the chain of command.

- e. Sick leave may also be used for any reason found in C.R.S. §§ 8-13.3-404 and 8-13.3-405, as they may be amended from time to time.
- (3) Up to 90 days leave for personal illness, illness of a family member, or parental leave may be granted. Fire fighters have the option of using unpaid leave in lieu of paid leave.
- a. When paid leave is elected, fire fighters shall use sick time when available.
  - b. Fire fighters who have no more than ten days remaining in their sick banks may then use vacation time and/or compensatory time.
  - c. Use of vacation time must follow the provisions of Article XIV. However, at the discretion of the Chief or designee, a scheduled vacation can be changed.
  - d. Fire fighters who require more than 90 days or who do not have a sufficient bank of sick leave, vacation time, or compensatory time may apply to the Chief for donated sick time.
- (4) Fire fighters using sick leave under subsection (2) above for extended periods may apply to the Chief for a reduced work schedule, *i.e.*, a leave schedule that reduces the fire fighter's usual number of hours per work week. The Chief may require the fire fighter to transfer to another assignment to better accommodate the reduced work schedule.

(5) Parental Leave

Up to 90 days parental leave may be granted to care for a child at the time of birth or adoption. Granting of such leave shall be subject to the approval of the Chief or designee. A fire fighter together with their spouse, who is also a fire fighter or employee of the City of Denver, are limited to a combined total of ninety days parental leave.

### **DEATH AND DISABILITY CONTRIBUTION**

During the term of this agreement, the City shall pay, on behalf of all fire fighters hired after January 1, 1997, the state mandated contribution for death and disability coverage pursuant to C.R.S. § 31-31-811(4).

## **Article XXII**

### **WAIVER AND NOTICE**

- Section 1.** Failure of the City to enforce, or insist upon the performance of any term, condition or provision of this Agreement in any one or more instances shall not be deemed a waiver of such term, condition, or provision. No term, condition or provision of the Agreement shall be deemed waived by the City unless such waiver is reduced to writing and signed by an agent of the City who has actual authority to give such a waiver. If such written waiver is given, it shall apply only to the specific case for which the waiver is given and shall not be construed as a general or absolute waiver of the term, condition or provision, which is the subject matter of the waiver.
- Section 2.** Where any provision of this Agreement requires that any notice or information be given by the Union to the City within specified time, such requirement will not be met unless the official of the City specified herein who has actual authority to receive such notice actually receives the notice or information within the time limit specified in this Agreement.

## ARTICLE XXIII

- Section 2.** The Union and the City agree that this Agreement is intended to cover matters affecting wages, rates of pay, grievance procedure, working conditions and other terms and conditions of employment and similar or related subjects, and that during the term of this Agreement, neither the City nor the Union will be required to negotiate on any further matters affecting these or any other subjects not specifically set forth in this Agreement.
- Section 3.** Notwithstanding any other provisions of this Agreement to the contrary, in the event that any Article, or Subsection(s) thereof, of this Agreement shall be declared invalid by any court of competent jurisdiction, or by any applicable State or Federal law or regulation, or should a decision by any court of competent jurisdiction or any applicable State or Federal law or regulation diminish the benefits provided by this Agreement, or impose additional obligations on the City, the parties shall negotiate on the Article or Subsection(s) thereof affected. All other provisions of this Agreement not affected shall continue in full force and effect.
