

Payment Instructions for Technical Rescue Certification

1. Go to Denver Fire Department webpage, www.denvergov.org/fire

The screenshot displays the Denver Fire Department website. At the top left is the Denver logo with the text "DENVER THE MILE HIGH CITY". To the right are buttons for "MAKE A PAYMENT", "REPORT A PROBLEM", "SERVICES", and a language dropdown menu set to "ENGLISH (UNITED STATES)". Below this is a navigation bar with links for "My Property", "Community", "Business", "Vehicles & Parking", "Public Safety", and "Government". A search bar is centered below the navigation bar with the text "Find almost anything on our website" and a "Search" button. The breadcrumb trail reads "Home / Government / Agencies, Departments, and Offices / Fire Department". The main heading is "Fire Department". Below the heading is a large image of three fire trucks in front of a classical building at night. A "COVID-19 Updates!" section follows, providing information on services, office hours, and a link to the "COVID-19 updates page". A final paragraph states that fire station tours are being evaluated on a case-by-case basis.

Community Outreach

The Denver Fire Department is proud to give back to the community through a variety of outreach and education programs.

Become a Firefighter

Join our elite team! Firefighters respond to fire alarms, and extinguish fires to protect lives and property. Other duties include administering first aid, rescuing in emergencies, and inspecting buildings to ensure compliance with fire codes. Firefighters may also be assigned to work in support divisions, such as human resources, fire dispatch or community outreach.

System Down Reporting and Firewatch

Any time a fire alarm or sprinkler system is compromised you must notify the Denver Fire Department.
